## Challenge #202: Love Poetry

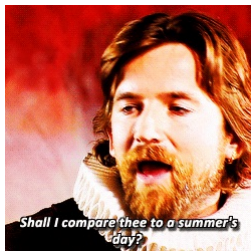

AYX Academy

Alteryx

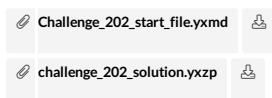

A solution to last week's challenge can be found [here](#)!

With Valentine's Day just around the corner, you're probably thinking about how to share how you feel with that special someone. Why not try to express your love with some poetry?

In this challenge, we'll take some inspiration from a poetry legend: William Shakespeare. Create an app to create your perfect love poem with a few custom tweaks...[Mad Libs style](#)! Feel free to use Shakespeare's Sonnet 18 (provided in the Start File) or another of your favorite poems as your base. Then, add Interface Tools (Text Boxes will come in handy for this!) to allow a user to infuse this poem with their own expressions of affection.

Just understanding the game was hard enough, let alone the app.
