Challenge #265: Keep In Touch

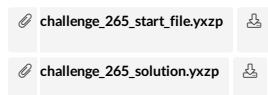

A solution to last week's challenge can be found [here](#).

This week's challenge was submitted by [@CharlieS](#) - Thank you for your submission!

Each of the states in the USA have a proud history and unique culture. They also have unique two letter abbreviations. Inspired by [this NPR Sunday Puzzle](#), use the two letter abbreviations from four states that border each other to create eight letter words.

One input contains spatial objects for each state and the other contains eight letter words. Find the possible combinations given the constraints above.
