Challenge #184: Closest Pubs to Tobacco Dock

ChristineB
Alteryx Alumni (Retired)

A solution to last week's challenge can be found [here](#)!

Are you going to Inspire London? So are we, and we couldn't be more excited! Between two full days of [Platform Training](#), a variety of [breakout sessions](#), [keynotes](#), and (our fave!) [THE GRAND PRIX](#), we are ready to get amplified!

Surely, all this activity will make us pretty thirsty. In preparation for Inspire, complete this week's challenge to map out the nearest pubs to Tobacco Dock where we can grab a pint with fellow Alteryx aficionados.

Break up lat lon into two fields; create points, create trade area, and spatial match. Looks like 4 Pubs within 1 km.

Fun challenge. Too bad I can't get to Inspire and check the dock out in person...

Added a solution to finding all the pubs on the same side of the Thames. It's not pretty and has some limitations but it's the best I could come up with. Looking forward to seeing others' solutions.

EDIT: Added a second version of the solution that doesn't have the limitations of the first one

As it should be...32 pubs within one KM. I'm kinda' wary about the *Slug and Lettuce*, though.
