## Challenge #315: The One Where Everyone Talked

A solution to last week's challenge can be found [here](#).

Welcome to the F.R.I.E.N.D.S. themed weekly challenge!

In this challenge we would like to figure out which season all 5 main characters spoke the most.

The dataset contains the series transcript, which includes every line and character from the show.

Determine the episode that each character spoke the most in. For instance, Joey had significantly fewer lines in season 1.

Hint: Find everyone's top 10 episodes they spoke the most.

I got a different result because of how I approached the problem.
