Challenge #136: Cleudo!

ChristineB
Alteryx Alumni (Retired)

This week's Challenge comes to you courtesy of Alteryx ACE [@NicoleJohnson](#)! If you're at Inspire EU today (Wednesday 10/10), come join us for the session "Alteryxing the Weekly Challenge" at 10:30 in Cutty Sark!

The Case: Mr. Boddy was recently on a trip to London when he unfortunately met with his untimely demise... But whodunnit?? In the spirit of the game Clue (a murder mystery game originally called Cluedo, created by Anthony E Pratt from Birmingham, England in 1949), follow the clues to figure out who committed this dastardly deed, where the crime was committed, and which weapon was used!

*** Once you have all 3 answers, enter your answers into the Clue! Macro to see if your sleuthing is correct! You can also spot check any of your 3 answers in the macro as you go along... ***

Don't forget to post your solution and tag your team members that helped reach the solution!

Hi Everyone! I had a lot of fun at our session today! I started this solution with Dan Bradley but we both needed to leave a bit earlier. I've finished off what we started so here it is!

Fun challenge! Slight error in the macro, but as we like to say: "dat mag de pret niet drukken".
